WELCOME TO BRITISH CHESS CHAMPIONSHIPS 2015

A Message from Dominic Lawson, President, English Chess Federation

I am delighted to welcome all of you to the 2015 British Chess Championships and to the University of Warwick.

This is the 50th anniversary of the founding of the University, which makes it young by the standards of the British Chess Championship; but in that relatively brief time it has established itself in the front rank of the nation's universities. This is the result of high standards of intellectual rigour, something which all competitors will seek to emulate in their games here! None more so than David Howell and Jonathan Hawkins, the joint winners of last year's championship.

This year, if at the end of the scheduled rounds there is a tie, there will be a play-off match for the title - an exciting prospect.

The last time the event was held at the University of Warwick was 1970, when it was won outright by Robert Wade. Bob, who died 7 years ago, was as both a coach and an author, a force for the resurgence of British chess in the Bobby Fischer boom—and in fact the only Briton to have played Fischer in tournaments (outside Olympiads). I wish all competitors here the good luck not of winning this tournament—that would not be possible—but of recording at least one game of beauty that they can be proud of. That, after all, is why we play chess.

A Message from David Thomas, President, Warwickshire Chess Association

The Warwickshire Chess Association is delighted to welcome the British Chess Championships back to Warwickshire.

The Championships have been held in the county on three previous occasions. On the last occasion in 1970 the Championships were held here at the University of Warwick, when Bob Wade was Champion. 12 years earlier Jonathan Penrose won the first of his ten Championships in Leamington Spa. Stratford-upon-Avon hosted the 1925 Championships, when Henry Atkins won his ninth and final Championship.

We wish the best of luck to Warwickshire's local players competing across all events, with particular congratulations to those who qualified to play in the Championship itself this year:

John Edge - Birmingham League Individual Champion, Paul Lam - Coventry League Individual Champion, Andrew Paterson - Leamington League Individual Champion, Mark Page - Warwickshire Champion, Don Mason - South Wales New Year Congress, Richard Weaving - qualified by rating.

We wish everyone competing in the 102nd British Chess Championships an enjoyable and successful time, and hope those who are attending but not competing enjoy their time here in Warwickshire.

A Message from the Conference Team, University of Warwick

Warwick Conferences and The University of Warwick are looking forward to being the host venue for the 102nd British Chess Championships. We are delighted Warwick was selected for this prestigious event and I am delighted to welcome you to our venue for the duration of your stay.

A Message from Kevin Staveley, Championships Manager

It is a pleasure to welcome you to the University of Warwick for this year's Championships. For the past three years we have enjoyed the seaside – Aberystwyth, Torquay and the lovely Northumberland coast - so this year's event will have a slightly different feel to it. Nevertheless, unlike Sheffield four years ago which was very much a city centre venue, this year's Championships take place in beautiful countryside while, at the same time, being within easy access of both Coventry and Warwick. There is plenty to see in the area.

My team and I look forward to meeting you through the fortnight as we enjoy the many attractions, both at the venue and also in the wider locality, before we move back to the seaside for the 2016 Championships in the Dorset holiday resort of Bournemouth.

Junior Chess Coaching

Thanks to a contribution from the John Robinson Trust the British Championships are again able to offer free training sessions to junior competitors.

Experienced coaches Sheila Jackson and Vaidyanathan Ravikumar will be on hand to offer advice.

PLAYING CONDITIONS & RULES

Refreshments - Only food and drink purchased in the playing venue is allowed to be consumed within the venue. Players and spectators who wish to consume their own drinks must do so outside the venue. This is a standard clause when booking conference facilities. In the past certain players have ignored this. The Federation respectfully reminds players that as part of their entry they have signed a declaration that they have read and understood this condition and hopes and expects that all players will adhere to this rule. In particular no food is to be brought into the playing area.

Smoking – This is not permitted anywhere in the playing venue.

Conduct of players – The dress code is smart, casual.

Defaults & withdrawals - Players who default or withdraw from any event without good cause may be barred from future events. They will anyway be liable to pay a full entry fee at any future event organised by the Federation together with a bond returnable on satisfactory conduct during such events. If for any reason you have to withdraw please tell your arbiter promptly, certainly before the pairings for the next round are made.

Discussion of games - The Laws of Chess specifically prohibit discussion of games in play. This includes what may seem like a harmless question like, 'How are you doing in your game?' While you are playing please do not visit the Bookstall, the Commentary Room, or the Analysis Area, nor analyse or play through someone else's game.

Reporting of results - The top copy of the score sheet must be handed in as soon as the game has finished to the arbiting point attached to your playing section. The bottom copy is for your use.

Recording of games - The official Championship score sheets must be used by all players to record their games. Use of scorebooks/pads is not allowed. If you wish to use these please copy your game afterwards, not during the game, nor in the playing hall.

In games where a 30 second increment is used, players must keep score AT ALL TIMES.

Under 9 and Under 8 Championships – Recording of games

In the Under 8 Championship, players do not need to keep score of their games.

In the Under 9 Championship, players must keep score of their games, but a player may stop scoring after his/her clock has shown less than 5 minutes left.

In both the Under 8 and Under 9 Championships the second completed illegal move shall lose the game. (This corrects a printing error both online and on the printed entry form).

Under 8 - Competitors for this Championship are asked to meet the event controllers in the Panorama Playing Hall at 9.30 am on Saturday, 25th July

Byes – First round byes must be claimed on the entry form. Byes in subsequent rounds must be notified to the appropriate control team at the event and at least 24 hours before the relevant round. Entrants to Junior Championships and the Major Open will take byes in the Major Open unless obtaining the permission of the Chief Arbiter at least 24 hours in advance. Before making a decision the Chief Arbiter will consult with the relevant Principal Arbiters as to the overall effect on both events.

Adjournments - Games will not normally be adjourned. If exceptional circumstances require an adjournment, an arbiter will explain the procedure.

Appeals - Appeals may be made against a controller's decision on matters of the Laws of Chess or of administration. Appeals should be made to one of the following: David Eustace, Peter Purland or Dave Thomas. If a player is dissatisfied with the decision he may appeal to an Appeals' Committee. An appeal to the Appeals' Committee must be lodged with the Congress Manager in writing, stating the grounds for the appeal, and accompanied by a £50 deposit which is returnable if the appeal is successful. The intention to appeal must be declared within one hour of the end of the game. The Appeals' Committee will be: A Principal Arbiter in the chair, not connected with the dispute, two other qualified Arbiters not connected with the dispute, two players' representatives. The decision of the Appeals' Committee will be final.

Grading - Players without a current grade are not eligible for any grading prize. All standard play tournaments will be ECF graded, using the July 2015 Grading List as the basis for the calculations. Rapidplays will use the January 2015 list.

Notice of pairings - Arbiters will endeavour to ensure that pairings for all events are posted as soon as possible on the Championships web site: www.britishchesschampionships.co.uk

Afternoon events - Pairings should be displayed by 11:00 a.m.

Morning events - Pairings should be displayed by 10.30 p.m.

Publication of Games – Games will be published on the Championship website as soon as possible after the completion of the rounds.

Major Open Change-Over - After 6 rounds, players with poor scores may transfer to a junior championship or a 5-day tournament. A fee of £20 is payable, which is the equivalent to 50% of the normal entry fee.

British Championship Play-off – Should this be necessary it will take place immediately after the main prize giving on Saturday, 8th August

Other Championships - In the event of any other championship being tied, the title and any prize money will be shared.

TROPHIES & TITLES

Trophies - A trophy will be awarded to each Champion, as a permanent memento of the event. In addition certificates will be presented to the younger junior championship entrants (older juniors or any player may have a certificate of participation on request).

The Roy Clues Trophy will be awarded annually for the most meritorious performance by a Welsh player in the Congress.

The City of Dundee Trophy will be awarded annually to the winner of the Major Open.

The Boxall Plate will be awarded to the person adjudged to have made a significant contribution to the congress.

Titles - The highest placed competitor in each of the Junior Championships will be awarded the title of Overall British Champion for that age group. In addition the highest placed boy or girl will be awarded the appropriate title so that the best result by a boy and the best result by a girl will each be rewarded with a title.

ENGLISH CHAMPION

The highest placed English player in the British Championship will be declared English Champion, hold the Tony Miles Trophy for one year and receive £1500.

English Chess Federation Grand Prix - All events are part of the Grand Prix.

Blitz - Playing five-minute or speed chess with tournament clocks is forbidden. No chess games of any kind other than tournament games are permitted in the tournament hall. Clocks must not be removed from the playing hall.
