WELCOME TO THE 103rd BRITISH CHESS CHAMPIONSHIPS 2016

A Message from Dominic Lawson, President, English Chess Federation

Welcome, all, to the 103rd British Chess Championship. It was 80 years ago that Bournemouth last hosted the Championship: an all-play-all of 12 players, more than half of whom came from London. This year's event is so much bigger and so much more diverse. It contains many sections for children of different ages, in which we hope to see some of the brightest stars of the future. Last year I met one such player, Michael Uriely, and presented him with his prize for second place in the Under 9 championship. Barely a month later, while competing in the Mind Sports Olympiad, Michael fell ill and died after an acute asthma attack. I am sure his contemporaries here in Bournemouth — and their parents attending -- will be thinking of him.

I wish all this year's players a wonderful competition.

A joint message from Martin Simons, Chairman, Bournemouth & District Chess League Ian Clark, President, Dorset County Chess Association

The Bournemouth & District Chess League & Dorset County Chess Association are delighted to welcome the British Chess Championships back to Bournemouth. These were last held here 80 years ago in 1936 and we are proud and privileged that Bournemouth has been chosen by the English Chess Federation to celebrate this anniversary.

The town has a lot to offer for a number of reasons, not least its free attractions for people of all ages ranging from its 7 miles of golden sandy beaches, evening live bands and Friday night fireworks on the Bournemouth seafront to candlelight nights in the lower gardens, all within close proximity to the Pavilion.

We wish the best of luck to Dorset's local players competing across all events, especially the juniors playing in their first national event.

This could be the last year when there is a two week format in place, so we are pleased to say that, at the time of writing (30th June), the entry number would suggest that we will be close to or could even better last year's record entry and it is fantastic to have such strong support from most of the top British players in the Championships this year.

All that remains is for us to wish all entrants to the 103rd British Chess Championships an enjoyable and successful time, and hope those who are attending but not competing enjoy their time here in Bournemouth and all its attractions.

A Message from Kevin Staveley, Championships Manager

It is a pleasure to welcome you to Bournemouth for this year's Championships. Last year's Championships took place in the centre of the country at the University of Warwick and attracted a record entry. At the time of writing the number of entries this year is well on the way to equalling last year's numbers.

This year's event takes place in a Grade 2 listed building located on the sea front and within beautiful gardens. There is plenty to see in the area.

I would like to especially thank both the Bournemouth and District Chess League and the Dorset Chess Association for their help and support towards this year's championships in so many ways. I would also like to extend my thanks to the team of workers who give freely of their time to ensure the success of the Championships and also support me in so many ways.

My team and I look forward to meeting you through the fortnight as we enjoy the many attractions, both at the venue and also in the wider locality.

As has been stated on the website, this is likely to be the final British Championships held over two weeks with the 2017 Championships curtailed to 10 days. A full schedule for 2017 will appear shortly on the website.

I would like to thank all players who make the annual pilgrimage to the Championships, regardless of where they are held and I look forward to meeting you during the fortnight.

Thanks to a contribution from the John Robinson Trust the British Championships are again able to offer free training sessions to junior competitors.

PLAYING CONDITIONS & RULES

The playing area is the ballroom, bar, toilets, designated smoking area and any corridors leading to the above.

The playing venue is the Pavilion Theatre building plus the designated outside smoking area.

ANTI CHEATING LAWS

Portable scanning “wands” may be used during play to scan adults to ensure that there are no electronic devices on their person.

Any allegations of cheating must be made in writing and given personally to either the Chief Arbiter (Peter Purland), Championships Manager (Kevin Staveley), or handed in at the Championships Office to John Philpott.

Discussion of games - The Laws of Chess specifically prohibit discussion of games in play. This includes what may seem like a harmless question like, ‘How are you doing in your game?’ While you are playing please do not visit the Bookstall, the Commentary Room, or the Analysis Area, nor analyse or play through someone else’s game.

Mobile Phones must be switched off and placed either face down on the table, in a bag or in a coat on the back of a chair. Under no circumstances is any coat with a phone in the pocket to be taken from the playing hall during play. Any player found with a mobile phone on their person during the game will be defaulted.

Refreshments - Only food and drink purchased in the playing venue is allowed to be consumed within the venue. There are ample places to purchase food and drink – The Theatre Bar, The Bistro

and the Pavilion Café will all be open during the Championships. Players and spectators who wish to consume their own drinks must do so outside the venue. This is a standard clause when booking conference facilities. In the past certain players have ignored this. The Federation respectfully reminds players that as part of their entry they have signed a declaration that they have read and understood this condition and hopes and expects that all players will adhere to this rule. In particular no food is to be brought into the playing area.

Smoking – This is not permitted anywhere in the venue.

Conduct of players – The dress code is smart, casual.

Defaults & withdrawals - Players who default or withdraw from any event without good cause may be barred from future events. They will anyway be liable to pay a full entry fee at any future event organised by the Federation together with a bond returnable on satisfactory conduct during such events.

Should a player default a game he/she may be asked to pay a bond before being allowed back into the event. This bond will be returned if the competitor plays in all further rounds.

If for any reason you have to withdraw please tell your arbiter promptly, certainly before the pairings for the next round are made.

Reporting of results - The top copy of the score sheet must be handed in as soon as the game has finished to the arbiting point attached to your playing section. The bottom copy is for your use.

Recording of games - The official Championship score sheets must be used by all players to record their games. Use of scorebooks/pads is not allowed. If you wish to use these please copy your game afterwards, not during the game, nor in the playing hall.

In games where a 30 second increment is used, players must keep score AT ALL TIMES.

Under 9 and Under 8 Championships – Recording of games

In the Under 8 Championship, players do not need to keep score of their games.

In the Under 9 Championship, players must keep score of their games, but a player may stop scoring after his/her clock has shown less than 5 minutes left.

In both the Under 9 and Under 8 Championships the second completed illegal move shall lose the game.

Under 8 - Competitors for this Championship are asked to meet the event controllers in the Pavilion Ballroom at 10.15 am on Saturday, 23rd July

Byes (in non Championship events) – First round byes must be claimed on the entry form. Byes in subsequent rounds must be requested in the Championships Office at least 24 hours before the

relevant round. Entrants to Junior Championships and the Major Open will take byes in the Major Open unless obtaining the permission of the Chief Arbiter at least 24 hours in advance. Before making a decision the Chief Arbiter will consult with the relevant Principal Arbiters as to the overall effect on both events

Adjournments - Games will not normally be adjourned. If exceptional circumstances require an adjournment, an arbiter will explain the procedure.

Appeals - Appeals may be made against a controller's decision on matters of the Laws of Chess or of administration. Appeals should be made to one of the following: David Eustace, Peter Purland or Dave Thomas. If a player is dissatisfied with the decision he may appeal to an Appeals' Committee. An appeal to the Appeals' Committee must be lodged with the Congress Manager in writing, stating the grounds for the appeal, and accompanied by a £50 deposit which is returnable if the appeal is successful. The intention to appeal must be declared within one hour of the end of the game. The Appeals' Committee will be: a Principal Arbiter in the chair, not connected with the dispute, two other qualified Arbiters not connected with the dispute, two players' representatives. The decision of the Appeals' Committee will be final.

Grading - Players without a current grade are not eligible for any grading prize. All standard play tournaments will be ECF graded, using the July 2016 Grading List as the basis for the calculations. Rapidplays will use the January 2016 list.

Notice of pairings - Arbiters will endeavour to ensure that pairings for all events are posted as soon as possible on the Championships web site: www.britishchesschampionships.co.uk and also on chess-results.com

Afternoon events - Pairings should be displayed by 9:00 a.m.

Morning events - Pairings should be displayed by 4 p.m., excluding the Under 10 Championships on double round days.

Announcements – It is hoped that any announcements will be made 5 minutes BEFORE the PUBLISHED start times of rounds.

Publication of Games – All games (including Under 8 and Under 9 Championship games if available) will be published on the Championship website as soon as possible after the completion of the rounds.

Major Open Change-Over - After 6 rounds, players with poor scores may transfer to a junior championship or a 5-day tournament. A fee of £27.50 is payable, which is the equivalent to 50% of the normal entry fee.

British Championship Play-off – Should this be necessary it will take place immediately after the main prize giving on Saturday, 6th August

Other Championships - In the event of any other championship being tied, the title and any prize money will be shared.

TROPHIES & TITLES

Trophies - A trophy will be awarded to each Champion, as a permanent memento of the event. In addition certificates will be presented to the younger junior championship entrants (older juniors or any player may have a certificate of participation on request).

The Roy Clues Trophy will be awarded annually for the most meritorious performance by a Welsh player in the Congress.

The City of Dundee Trophy will be awarded annually to the winner of the Major Open.

The Boxall Plate will be awarded to the person adjudged to have made a significant contribution to the congress.

Titles - The highest placed competitor in each of the Junior Championships will be awarded the title of Overall British Champion for that age group. In addition the highest placed boy or girl will be awarded the appropriate title so that the best result by a boy and the best result by a girl will each be rewarded with a title.

The highest placed English player in the British Championship will be declared English Champion, hold the Tony Miles Trophy for one year and receive £1500.

Tradewise Grand Prix - All events are part of the Grand Prix.

Blitz - Playing five-minute or speed chess with tournament clocks is forbidden. No chess games of any kind other than tournament games are permitted in the tournament hall. Clocks must not be removed from the playing hall.
