

## 2018 British Chess Championships Tournament Rules

### Section A: General Rules for All Tournaments

#### Rating and Grading

All tournaments will be submitted to the English Chess Federation (ECF) for grading, and FIDE for rating. It is a condition of playing in the British Chess Championships that the data submitted at the time of entry will be forwarded to the ECF and FIDE as required to enable the games played to be graded by the ECF and rated by FIDE.

#### Allocation of Ratings in All Sections

The ratings used for each tournament will be in the following order of priority, where the following letters are:

E	ECF Grade (January 2018)
Q	ECF Rapidplay Grade (January 2018)
F	FIDE Rating (July 2018)
R	FIDE Rapidplay Rating (August 2018)

Championship	FE
Major Open	FE
Over 50	FE
Over 65	FE
Under 16	FE
Under 14	FE
Under 12	FE
Under 11	EQ
Under 10	FE
Under 9	EQ
Under 8	QE
AM Open	FE
Under 2050	FE
Under 1900	FE
Under 1750	FE
Under 1600	EQ
Under 1450	EQ
Weekend Open	FE
Weekend U150/1825	FE
Weekend U120/1600	EQ
Rapidplay	RQFE

Where a player has none of these, the organisers will assign an estimate based on all available data on a case-by-case basis, failing which the player will be assigned a rating of 0.

The conversion between ECF grades and National/FIDE ratings will be:  $Elo = (ECF \times 7.5) + 700$

The ratings allocated by this process will be used in the calculation of any relevant prizes. (See Prize Calculation below for more information.)

#### Obtaining a FIDE Identification Number

All entrants must have a FIDE Identification Number at the time of submitting their entry, unless they wish their FIDE nationality to be England. English players without a FIDE Identification Number will have one created at the time the rating files are submitted by FIDE. *Please note: At the time of writing, changing this nationality later costs 250 Euros.*

#### Over-Running Games & Delay of Game

For all tournaments, except the Under 8 and Rapidplay, a player whose game finishes less than 30 minutes before the scheduled start time of their next game at the Championships – either in that tournament, or in another

tournament they have entered – will be offered a 30-minute break before the start of that game. An arbiter will inform the player’s opponent accordingly and delay the start of that game until the new start time.

**Section C: Entry Fee and Prize Calculation****Deadlines for Postal Entries**

No postal entries can be accepted after Friday, 20<sup>th</sup> July.

**Prize Calculation**

The place prizes in all tournaments will be awarded to the player scoring the most points. There will be no tie-breaks applied, and in the event of a tie, on points, the prize money will be shared equally between all tied players, except for the British Championship.

**Rating Prizes**

The rating prizes will be calculated on  $W - W_e$ , where  $W$  is the number of points scored,  $W_e$  is the expected number of points based on the difference between the ratings of the players in the game. A player is only eligible for a rating prize if:

- The player has not defaulted any games in the tournament, and
- The player had not withdrawn from the tournament (see the section on Byes below)

Players allocated a rating of 0 (see Allocation of Ratings in All Sections above) are not eligible for rating prizes.

Where there is a tie for a rating prize, the prize shall be won by the lowest-rated player involved in the tie.

Where a player wins a place prize and a rating prize, the player will win whichever prize is of the higher value.

**Additional Prizes**

The additional prizes are won in addition to any other prize a player might win.

**Age-Restricted Sections and Prizes**

Where a section or prize is restricted to players of a particular age, the FIDE definitions of age shall be used; i.e. the calendar year, rather than the academic year.

**Prize Lists**

Full prize lists for each tournament will be published online as soon as possible at the end of the tournaments.

**Byes**

Half Point Byes may be requested (or a request may be cancelled) either:

- At the time of entry, or
- At any point before the pairings are published for each tournament. Where the pairings are published as soon as they are available, the request should be made no later than the conclusion of the last game in the tournament being played. Such requests should be made in one of two ways only:
  - o To the information desk at the event, or
  - o By e-mail to [manager.british@englishchess.org.uk](mailto:manager.british@englishchess.org.uk) – *Please note: Do not use any other e-mail address you may have for one of the event organisers, as the people who access them will not necessarily be accessing e-mails as the publication deadline approaches.* Bye requests missed by the organisers that have not been sent to the correct e-mail address will not have their request granted, and will instead score a 0 point bye in that round if the player chooses or is unable to play this game, and be subject to the Defaults regulation in Section D.

A player will score 0 if a Half Point Bye is requested in the last round. If a tournament permits two Half Point Byes, then a player will score 0 if the second Half Point Bye request is in the last round, or if both the Half Point Byes are requested in the last two rounds.

Players who miss more rounds than the number of Half Point Byes permitted in each tournament will be withdrawn from the tournament, unless the Chief Arbiter decides otherwise.

## **Section D: Defaults & Pairing Alterations**

### **Defaults**

A player who defaults a game will not be included in the pairings for the next round of the tournament, or any subsequent round, unless the Chief Arbiter decides otherwise. Should this be decided, the Chief Arbiter reserves the right to apply a bond of £50, which will be returned at the end of the tournament if the player takes part in all remaining rounds. A player who defaults a second game in the tournament will be expelled from it, and shall not have the bond returned to him.

### **Late Pairings**

The Organisers may permit players to enter after the pairings have been published for Round 1 of a tournament. In general, these players will score 0 points in the rounds they have missed. However, the player may be paired against another player in this category, who has entered the same tournament, and that game shall be played as though part of the tournament. Should any players remain after this process, then they will be considered available for any of the pairing procedures below once the default time for the relevant tournament has elapsed, except for the Rapidplay.

*The remainder of this section applies to all tournaments other than the Rapidplay. All re-arranged games listed below will be graded by the ECF. They will also be rated by FIDE unless the Arbiter conducting the altered pairings informs both players otherwise.*

### **Re-pairings**

A player whose opponent does not arrive before the default time will be offered a re-pairing against someone in the same tournament as them. The player will have the following choices:

- (1) Accept the re-pairing
- (2) Decline the re-pairing and have a 1 point bye.

If the player decides to accept the re-pairing, then the game will be played as though part of the tournament. The time limit for the game shall be decided on a case-by-case basis.

### **Cross-pairings**

Should a re-pairing against someone in the same tournament not be possible, then a player may be offered a cross-pairing against a player who has entered a different section running concurrently. The player will have the following choices:

- (1) Accept the cross-pairing
- (2) Decline the cross-pairing and have a 1 point bye.

Games involved in cross pairings will only count towards grading and each player will get 1 point bye in their tournament. The time limit for the game shall be decided on a case-by-case basis.

### **Filler pairings**

Should neither a re-pairing nor a cross-pairing be possible, then the player may be offered a game against a filler. This will be a player who is not playing in any tournament going on at the time, but is nevertheless able to play a game at that time. The player will have the following choices:

- (1) Accept the filler pairing
- (2) Decline the filler pairing and have a 1 point bye.

If the player decides to accept the filler pairing, then the game will count as though part of the tournament only if the filler is eligible to play in the tournament. The time limit for the game shall be decided on a case-by-case basis.

## **Section E: Appeals Procedure**

### **Process**

Decisions of an arbiter may be appealed to the Appeals Committee provided that

- Such appeal is received in writing within 30 minutes of the arbiter's decision or within 30 minutes of the end of the game, whichever is the later, and
- Such appeal is accompanied by an appeal fee of £50 which will be returned if the appeal is successful.

### **Appeals Committee**

The Committee ruling on an appeal will be composed of:

- One arbiter, appointed by the Chief Arbiter, who was not connected with the dispute; who will Chair the Committee, plus
- Two members of the Players' Panel, appointed by the Chair

The Appeals' Committee's decision is final and binding in all matters.

### **Players' Panel**

A minimum of five players will be appointed to the Players' Panel by the Chief Arbiter. Players who are willing to serve on this Panel may do so by informing the Organisers at the time of entry, or by speaking to the Organisers at the event itself.

### **Publishing the Appeals Committee**

A list of arbiters, and a list of members of the Players' Panel, will be published before the start of Round 1 of the Championships.

### **Section F: Spectators and the Press**

For the purposes of this section, all members of the Press are considered to be spectators.

### **Use of Cameras/Video Equipment**

Spectators are welcome to take photographs and/or video footage of the tournament for the following amount of time:

- The first 10 minutes of the first round of the Championship
- The first 5 minutes of any other round

Spectators must use either a camera or video equipment. The camera's flash should be switched off. Mobile phones may not be used to take photographs at any time during play.

The above regulations notwithstanding, the tournament's official Press Officers are entitled to take photographs and/or video footage at other time during play with the permission of an arbiter.

Spectators and press officers who take photographs are reminded to respect the privacy of the individuals whose photographs they are taking.

Players should be aware of the British Chess Championship's policy on official photographs and videos, which is on the tournament website.

### **Mobile Phones are Banned**

A spectator will be asked to leave the playing area if during play any such device either

- (a) makes any sound; or
- (b) is found to be switched on; or
- (c) is found to be about their person or being carried by them.

### **Roped Off Areas**

There may be an area, near the top boards, which is roped off to spectators. Spectators must stay behind this rope at all times. The official Press Officers are entitled to take photographs and/or video footage for the amount of time specified in the Use of Cameras/Video Equipment section above.

### Expelling Spectators

All arbiters are empowered to enforce the entirety Section F, and may not be appealed against. They are empowered to ask spectators or the Press to leave the playing area immediately should they be in breach of these regulations.

### Section G: British Championship Tie-Break

In the event of a tie at the end of the Championship, there will be a playoff, held as soon as possible at the end of the Championship.

The n tied players will seeded, from 1 to n, based on their tournament performance rating (TPR) for the tournament. This TPR will be calculated using the assigned ratings outlined above in this document.

Where  $n > 8$ , only the top 8 players will qualify for the playoffs.

Where players are tied on TPR, then the winner of the head-to-head game between the players, if one was played, shall split the tie: The winner of the game shall be placed higher. If this game was a draw, then the higher seed shall be determined by lot.

### Playoff Match Formats

The playoffs will be run on a knockout basis, and matches within this format will be played in one of the following formats:

#### Format 1 – Two players are tied

Round 1 Two games, G/20 + 10'.

Round 2 If still tied, two games, G/5 + 3'.

Round 3 If still tied, an Armageddon game, white G/5, black G/4, 2' from move 61.

#### Format 2 – More than two players are tied

Round 1 Two games, G/10 + 5'.

Round 2 If still tied, an Armageddon game, white G/5, black G/4, 2' from move 61.

A coin toss will be performed before each round. The winner of the toss can choose to have white in the first or second game of that round. The player will have black in the other game. In the case of the Armageddon game, the winner of the toss can choose to have white or black in that game.

In the Armageddon game, the black player shall need only to draw the game to win the match.

The playoff match will end on the first occasion that a player is winning the match at the end of a round.

Players are entitled to a 5-minute break between each game within a match, and a 10-minute break between each match.
