

How to find the venues being used for the social programme

Many of the events take place at the City Hall. Walks leave from in front of the City Hall. The Problem solving and Women's Chess Evening are at the Doubletree.

The following gives directions to those events being held in different venues

To the Outdoor Chess Evening (Monday night)

From the front of City Hall look in front of you and to the right, about 50/75 yards. Turn right and take Princes Dock Street (don't go straight on along Whitefriargate). Walk alongside the water with Princes Quay shopping centre on your right. You will see the chess sets out. About 2 or 3 minutes from the City Hall.

To the Ukrainian Evening (Wednesday night)

This is being held in Welcome House, Wright Street, Hull. From the City Hall go left down King Edward Street and simply keep walking in a straight line. This becomes Prospect Street. Welcome House will be in front of you on the corner of Wright St. In total it's about 6 or 7 minutes.

From the Doubletree: cross the road (Ferensway) and walk down Spencer Street. At the end of Spencer Street follow the road round to the right and Welcome House is shortly on your left on the corner of Wright St. Walking time one to two minutes. [Google Maps actually shows Welcome House in the wrong place.]

Ask Restaurant (Friday and Saturday - Pizza Making and Meal)

Follow the directions for the outdoor chess and 30 seconds further on is Ask restaurant.

Quiz Night (Saturday)

This is being held in the Holiday Inn Express which is very close to the railway station and perhaps 1 minutes' walk from the Doubletree and on the same side of the road. you can enter from the road or if driving from the multi storey car park.
